Entry Deadline —September 9, 2009

Entry Description (continued from previous page)

Why should this entry win an MGA Green Thumb Award?

Additional Entry Information

In order for an entry to be eligible for an MGA Green Thumb Award, it must be available for sale directly to the public from a Regular MGA member company. What MGA member catalog or website is currently selling or will be selling this product as of Spring 2010?

Only products that were introduced to the public after July 1, 2009 are eligible. Please list the date that this entry was or will be introduced to the gardening consumer:

Product samples **should not** be sent with this entry form. Please check below if you would like to submit product samples directly to the MGA Green Thumb Awards judges:

Yes, I would like to submit samples of this entry No, I do not wish to submit samples

Certification

I certify that the information contained in this entry form is accurate. I also understand that, if this entry is chosen as a winner, a company representative is expected to accept the MGA Green Thumb Award in person at the MGA's Winter Conference held in January 2010.

Signature _____ Date _____

Entry Instructions

- Please submit four Entry Forms for each MGA Green Thumb Award entry (an original and three photocopies) and attach supporting documentation (e.g., catalogs, catalog pages, photos, etc.) to EACH form. Submit four complete packaged "sets" for each entry.
- Entry packages will be forwarded to the judges as is. Please make sure your entries are complete.
- All MGA Green Thumb Award-winning products will be featured in an MGA news release and on the MGA website. The MGA Green Thumb Award designation and logo can also be used in sales communications (catalogs, websites, brochures, ads, etc.) for the winning products.
